| **Video Editing** | https://www.openshot.org/<br><br>https://www.blender.org/<br><br>https://animoto.com/ less experience needed |
| **Design Tools** | Both are free for basic use, pro version is about 9.99$ and include a variety of samples, suggestions etc. allow for easy flyer, social media post designs.<br>https://www.canva.com/<br><br>https://spark.adobe.com/sp/ |
| **Free Stock Photos** | This one is ok and has some variety, definitely not the best<br>https://www.pexels.com/<br><br>Unsplash sometimes has better images but it depends on the keyword search with both<br>https://unsplash.com/images/stock |
